

Cookie Policy

The Internet pages of the *berndmalle.com* use cookies. Cookies are text files that are stored in a computer system via an Internet browser.

Many Internet sites and servers use cookies. Many cookies contain a so-called cookie ID. A cookie ID is a unique identifier of the cookie. It consists of a character string through which Internet pages and servers can be assigned to the specific Internet browser in which the cookie was stored. This allows visited Internet sites and servers to differentiate the individual browser of the data subject from other Internet browsers that contain other cookies. A specific Internet browser can be recognized and identified using the unique cookie ID.

Through the use of cookies, the *berndmalle.com* can provide the users of this website with more user-friendly services that would not be possible without the cookie setting. However, we only use cookies in an anonymized fashion, mostly for statistic website traffic analysis, so that no personal identifiable information will be queried from or stored on behalf of the users. Moreover, by not accepting the usage of cookies via confirmation on our up-front cookie banner, no traffic analysis cookies will be set on our part.

The data subject may, at any time, prevent the setting of cookies through our website by means of a corresponding setting of the Internet browser used, and may thus permanently deny the setting of cookies. Furthermore, already set cookies may be deleted at any time via an Internet browser or other software programs. This is possible in all popular Internet browsers. If the data subject deactivates the setting of cookies in the Internet browser used, not all functions of our website may be entirely usable.
